2025-116	Chris Dayton	The “initial post-strike assessment” referenced in the AFRICOM press release below: In coordination with the Federal Government of Somalia, U.S. Africa Command conducted airstrikes against ISIS-Somalia on Feb. 1, 2025. The command’s initial assessment is that multiple ISIS-Somalia operatives were killed in the airstrikes and no civilians were harmed. U.S. Africa Command takes great measures to prevent civilian harm. Protecting civilians remains a vital part of the command’s operations to promote a more secure and stable Africa. U.S. Africa Command will continue to assess the results of this operation and will provide additional information as appropriate. Specific details about the operation will not be released in order to ensure continued operations security.
2025-117	Chris Dayton	Latest information regarding Somaliland & US Africa Command current relationship, cooperation, and basing.

2025-121	Ephrain Marchan	Records related to any incidents, investigations, or reports of kidnapping involving individuals or entities since 2018 that U.S. Africa Command has been aware of or involved in. 2. Please provide documentation of any threats, security breaches, or kidnapping cases reported or managed by U.S. Africa Command since 2018. 3. I seek information on policies, procedures, or protocols established by U.S. Africa Command to prevent kidnapping and ensure the safety of personnel and facilities. 4. Please include records of security measures, emergency response plans, or safety protocols implemented to address kidnapping threats or incidents involving U.S. Africa Command operations. 5. I request internal communications, memos, or reports concerning security concerns, threat assessments, or safety procedures related to kidnapping risks impacting U.S. Africa Command activities. 6. Please provide records of collaboration or coordination efforts between U.S. Africa Command and other security or law enforcement agencies regarding kidnapping prevention or response. 7. I am seeking information on safety training, protective measures, or awareness programs provided to U.S. Africa Command personnel regarding kidnapping and security risks. 8. Please include incident reports, investigations, or follow-up actions related to kidnapping cases or threats involving U.S. Africa Command personnel or facilities since 2018. 9. I request documentation of physical security measures, surveillance systems, or security enhancements at U.S. Africa Command facilities to prevent kidnapping incidents. 10. Please provide any evaluations, assessments, or reports concerning security risks, safety, or kidnapping threats that have impacted U.S. Africa Command since 2018.
