5 February 2015

Dear Stuttgart Parents and Educators,

We are continuing the process of ensuring that there will be a smooth transition to transporting the students in these new and changing schools in the complex for school year 2015-16. I have attached a copy of the Stuttgart school bus zones for your information so that you can check the list to see if there will be a change for your child(ren). Following is a synopsis of the changes by school:

New Elementary School on Panzer

Elementary students who are currently attending Boeblingen ES/MS will attend the new school on Panzer next year. The biggest change once the new elementary school is opened will be the transfer of certain communities from the Patch ES feeder plan to the new school feeder plan. The busses that transport students to the new elementary and high schools on Panzer will be for combined age groups. Please check the attached list to see if your residence is located in the new elementary school's bus zone.

Patch ES

Due to the upcoming construction of a new Patch Elementary School, Patch Elementary will be located for the next several years at what is now Boeblingen E/MS on Panzer Kaserne. We are also changing some of the bus zones because of the opening of the new elementary school on Panzer. Please check the attached list to see if your residence is still located in the Patch ES bus zone. Students who attend PES next year will ride a bus. More information will be provided at Spring Registration in April.

New High School on Panzer

The high school is currently located at Patch, but in August 2015, we will open a new high school on Panzer. All high school students in grades 9-12 will attend the new high school. The buses that transport students to the new elementary and high schools on Panzer will be for combined age groups.

Patch Middle School

Patch Middle School will be opened in August 2015, at the site of the current Patch High School. All middle school students in grades 6-8 will attend Patch Middle School. There will be no middle school students in any of the other schools. All middle school students other than walkers will be bussed to the middle school on Patch Barracks.

Robinson Barracks ES

There will be no change to the bus zone for Robinson Barracks ES. Elementary school students whose families live in quarters on Kelley Barracks will continue to go to the Robinson Barracks

Elementary School. The buses that transport students to Robinson Barracks ES will be for elementary school students only.

Again, I have attached a copy of the Stuttgart bus zones for next school year so that you are able to see which school your child(ren) will attend. Please contact the school bus office at DSN 430-8497 if you have questions. Thank you very much for your support and patience as we prepare to make smooth transitions to the restructuring of the Stuttgart schools' complex.

Liz Dunham, Ph.D.  
Bavaria District Superintendent
